

Widow Connection

Our Mission

- Encourage, equip, and educate widows
- Strengthen those who have experienced loss
- Reach out to widows internationally

What we offer

- Website, 2 daily radio features heard on over 2,000 Christian outlets
- Resources: 3 books; 2 video series on finances, one for widows, another for all women
- 12 global projects have been completed, helping widows to learn a self-sustaining skill, such as tailoring or baking

New Opportunities

Please consider helping us meet the needs for these new international projects! Together we can offer widows self-sustaining, life-changing training. In just six to nine months, they can learn the skill of their choice. With your help, we will provide teachers/trainers, materials such as sewing machines or ovens, and supplies. Graduates can then support themselves in their community.
